3. Letter No. CDB/Coop/AGM/75-76/77/279 dated 21-2-77 from Block Development Officer, Bicholim forwarding thereunder the proceedings of the Special General Body Meeting dated 8-2-1977 of the Amone V. K. S. S. (Vikas) Society Ltd., Amone.
4. This office letter No. RSR/Seva/Amone/1976-77 dated 14-3-1977 and dated 18-4-77 to the society requesting for providing statements of accounts for the period ending 31-3-1977.
5. Society's letter no. nil dated 7-6-77 on the issue of statements of accounts for the period ending 31-3-1977.

Order

In virtue of the powers vested in me under the provision of section 102(1) of the Maharashtra Coop. Societies Act, 1960 as applied to the Union Territory of Goa, Daman and Diu, the aforesaid society was called upon to show cause as to why it should not be taken into liquidation vide order at Sr. No. 1 above. The general body vide resolution No. 2 of its meeting held on 8-2-1977 resolved to request this office not to liquidate the society for the reasons that (i) an active committee has been elected in the annual general body meeting held on 15-11-1976, (ii) the society has decided to extend loan of Rs. 1.09 lakhs to 145 members in the form of S. T. loan, M. T. loan and loan under S. F. D. A. programme, (iii) the management is actively participating in loan dues recoveries, (iv) the society is running the fair price shop properly and (v) the management expenditure has been reduced by Rs. 80/- per month and because of all these steps the society will come into profit and in future will be economically viable.

Considering the justification given by the society, it was requested to prepare the financial statements for the period ending 31-3-1977 and submit the same by 5-4-1977 vide letter dated 14-3-77 at Sr. No. 4 above. The statements were not submitted by 5-4-1977. The society was therefore reminded to submit the statements of accounts most immediately vide letter dated 18-4-77. The society did not submit the statements but by its letter dated 7-6-1977 informed this office that as the society did not execute special programme was not able to recoup the accumulated losses and hence the period for submission of statements of accounts may be extended upto 31-8-1977.

The suggestions made by the society vide its letter dated 7-6-1977 for not taking the society into liquidation are not convincing and cannot be considered, as no achievement have been made as proposed in the Special General Body Meeting dated 8-2-77. In view of the above foregoing facts and circumstances it can be safely concluded that the continuance of the above society will not serve any useful purpose and it will not be economically viable as an independent unit. Therefore I, S. V. Bhadri, Asstt. Registrar of Coop. Societies, Goa,

Daman and Diu hereby confirm the order mentioned at Sr. No. 2 above in terms of section 102(2) of the Maharashtra Coop. Societies Act, 1960 as applied to the Union Territory of Goa, Daman and Diu.

Further in virtue of the powers vested in me under section 103(1) of the Act, read with Rule 86 of the Cooperative Societies Rules, 1962, I hereby appoint Shri Gaspar Rasquinho, Inspector of Sanquelim Branch of the Goa State Coop. Bank Ltd., as the liquidator of the aforesaid society.

1. the extraction of sand should not be extended beyond the lease hold boundaries;
2. the extraction of sand should be carried out away from the sea with all the necessary precautions so that no damage is done to the paddy fields or residential houses;
3. the sand should not be extracted below the ground level, and
4. in case of any damage caused to the residential houses, plantation and agricultural land, he shall be liable to pay compensation to the parties concerned at the rate specified and fixed by the Collector of Goa;

And whereas Shri D. R. Keni has carried out mining operations outside the Eastern mining lease boundary, encroaching an area measuring 1658 square metres from which about 4974 tonnes of silica sand have been extracted in violation of sub-section (5) of section 21 of the Mines & Minerals (Regulation & Development) Act, 1957 (hereinafter called as the "said Act");

And whereas Shri D. R. Keni has also worked below the ground level, the maximum depth of mining being 1.10 metres and average depth of .33 mts. below the ground level i. e. the paddy field level in the Northern working of the lease. Besides the mining depth is .25 metres below the ground level on the Western side and .80 metres above the paddy field in the Eastern side;

Whereas in pursuance of the above, Shri D. R. Keni has committed breach of the condition of the Govt. Order No. 5-112-74/IPD dated 29-10-74 as well as the provisions of sub-section (5) of section 21 of the said Act;

And whereas a Notice bearing No. DI/MINES/76/6388 dated 4-11-76 had been served on the said Shri D. R. ..... 2nd Party

The Government of Goa, Daman and Diu by Government Order No. CLE/1/ID(140)75/IT-29/75/93 referred this dispute

for adjudication by this Tribunal. The schedule of the order of reference runs as follows:

SCHEDULE

"Whether the action of the management of M/s. Caxinata Damodar Naique, Importers, Exporters & Manufacturers' Representatives, Margao (Goa), in terminating the services of Shri Sebastiao Fernandes, Driver, with effect from 11th August, 1975, was legal and justified?"

If not, to what relief the workman is entitled to?"

On registering the reference, notice was issued to the First Party Union for filing the claim statement. Accordingly the same was filed contending that the termination of the services of the workman was wrongful and illegal and by a verbal notice; that on 8th and 9th August, 1975 he had been ill and that when he reported for duty on 11th August, 1975, he was verbally directed not to attend; that at no time had the workman been informed either in writing or orally that his services had been unsatisfactory; that it was untrue to say that he had absented on 2nd August, 1975; that 10th August, 1975 was a Sunday and that he was entitled to have reinstatement of service with continuity of service and full back wages.

By the written statement the employer contended that the workman had absconded from his duties from 2nd August, 1975; and that after six days sent a message that he was not interested in the job. On 11th August, 1975 the workman came to the employer with the Union leader but, in the mean-time alternative arrangement had been made and the workman could not be provided with employment as he had once abandoned it. The employer was ready to pay all the legal dues to the workman but, he and the Union representative were not willing to accept it; and that the workman was not entitled to any relief.

By his reply statement, the workman reiterated his case as made out in the claim statement.

In addition to the point referred, one issue was set down for trial. The issue runs as follows:

ISSUE

Whether the First Party workman abandoned the service as contended by the Second Party?

The matter was then posted for evidence. To-day when it came up for evidence, the Union representative filed a memo stating that the workman and the management had privately settled the matter and therefore the claim in this dispute will not be impressed. In view of the memo the following award is being made.

AWARD

A no-dispute award is made as the claim is not pressed by the First Party workman as settled privately.

..... Second Party.

By No. IRN/CON/(151)/75/IT-7/76/936, the Government of Goa, Daman and Diu, referred this dispute for adjudication to this Tribunal with the following schedule:

SCHEDULE

"Whether the action of the management of M/s. Cumbarjua Co-operative Society Limited, Cumbarjua, Ilhas (Goa), in terminating the services of Miss Milan Shridhar Porob, Secretary, with effect from 16-9-1975 was legal and justified?"

If not, to what relief she is entitled to?"

The reference was registered and the First Party was called on to file claim statement.

By the claim statement it was stated by the First Party that she was serving on a monthly salary of Rs. 110/- (Rupees Hundred and ten only) as Secretary for the Second Party and that suddenly by a notice dated 14th August, 1975, under the signature of the Chairman of the Second Party, she was informed that her services would be terminated with effect from 16-9-1975 which was received by the Second Party, Chairman on 23rd August, 1975, she asked for reason for termination and the chairman informed her that he would give her reasons after the meeting of the Managing Committee of the Second Party on 7th September, 1975; and that, even so, no reasons were given inspite of two reminder letters by the First Party to the Chairman of the Second Party on 14th September, 1975, and 16th September, 1975. She therefore, urged that the termination of her services was wrong, illegal and unjustified and she deserved to be reinstated with full back wages till reinstatement.

The Second Party by his statement contented that the First Party was taken on temporary basis as Secretary with effect from 21st July, 1974, and continued as temporary employee till 16th September, 1975. That the Chairman of

the Managing Committee did not feel that it was necessary to give her any memo in case of misconduct as it was brought to her notices many times and, hence it was taught that her services could be terminated without any reason; that an anonymous letter dated 14th July, 1975, regarding illicit relations of the First Party was received and after verbal inquiry, a suggestion for resignation was made and was not accepted by the First Party and, hence the Managing Committee resolved to remove her from her services; that the First Party had also been inefficient in work occasioning many irregularities and hence the termination was justified.

It is clear, therefore, that no inquiry had been held and no charge-sheet had been given to the First Party. The implications of such a situation were obviously realised by the Second Party when the case got ready for hearing. It is clearly such a realisation that has induced the parties to have a talk inter se. Yesterday, when the case was called up, the parties filed a joint memo by which they stated that they had settled their dispute, satisfactorily to both the parties. Under the compromise the Second Party agreed to take back the First Party in service from 1st July, 1977. In regard to the back wages, the First Party agreed to accept Rs. 750/- (Rupees seven hundred and fifty only), in full and final settlement.

The Second Party is a Co-operative Society; therefore any amount saved from the quantum of back wages is an advantage the said Society. The First Party is satisfied with an amount of Rs. 750/- (Rupees Seven hundred and fifty only), respect of back wages. The First Party also gets back into the job. Therefore, the compromise is considered to be just and proper and hence, accepted.

The award is therefore, being made in terms of the compromise dated 24th June, 1977, which shall form, and be read as, part of the award.

AWARD

The award is made in terms of the compromise of 24th June, 1977, which shall be annexed to and form part of this award.
